Petition to Excuse Error in Payment of Issue Fee
on a Small Entity Basis under 37CFR§1.28

OFFICE OF PETITIONS

Commissioner For Patents

Sir:

The Issue Fee for the captioned patent was erroneously paid in good faith by a prior attorney for applicant in the belief that the then owner of the application continued to be a small entity at the time of payment. It has recently been discovered that the assignee of the patent application that matured as the patent was at the time a large entity.

Petitioner on behalf of the current patent owner requests that the erroneous failure to notify the Office of the change in entity status be excused and that the full make-up payment be accepted for the incorrectly paid issue fee, calculated as shown below.

The issue fee was paid on March 22, 2008 in the amount of \$700.00 as a small entity.

An issue fee for a large entity for a patent currently is \$1,140.00.

The difference between the fee paid and the fee now due is \$740.00.

A check in the amount of the difference is submitted herewith.

If the amount was miscalculated, any additional fee actually due may be charged to deposit account 02-0200 or any overpayment may be credited to this account.

A statement of loss of entitlement to small entity status is submitted herewith in a separate paper signed by the current attorney of record for the patent owner.

Favorable disposition of this petition is respectfully requested.
